

Dear Parents and carers,

We are happy to announce that as from Monday 7<sup>th</sup> September we will be re-opening the nursery to all children and our opening hours will return to 7.45am-6pm from this date.

All children's sessions will remain the same as they were in March unless you have contacted and stated otherwise. If you're unsure of what your sessions are please feel free to call us on 01472 315530 or email [nurserymanagement@grimsby.ac.uk](mailto:nurserymanagement@grimsby.ac.uk) to confirm.

On your return to the nursery please try as best you can to adhere to the following;

1. Children should be dressed in clean clothes every time they are in,
2. Children must only bring essential items to nursery, e.g. hat/coat/sun cream/nappies/change of clothes etc,
3. leave site promptly,
4. Only one adult and the child at drop off and collection where possible,
5. Children must bring their own drink – this needs to be labelled if possible. The nursery is still providing hot lunches for the children that have nursery meals,
6. If it is a hot day, please can you apply sun cream to your child before they arrive at nursery. If the sun cream needs reapplying later on in the day, we will encourage the older children to reapply their own, but will obviously help the children that are too young.
7. Socially distance at all times

When dropping your child off and collecting them please press the buzzer as usual and use the table below to familiarise yourself with where your drop off and pick up point will be and what staff will be working in this unit.

Please remember;

**If your child or any member of your household are displaying Covid-19 symptoms, please do not come to the nursery and self-isolate for 14 days as per Government guidance.**

Thank you for your on-going support and patience during this uncertain time.

We can't wait to welcome you all back!

Many Thanks,

The Nursery Team.
